PROFESSIONAL EXPERIENCE

February 2024

Software Engineer

2023-2024

A 22-year-old male studying Computer Science with a passion for water polo. Despite no prior work experience, I bring strong teamwork and communication skills from athletics. Detail-oriented, committed to excellence, and eager to learn and grow in a professional environment.

ACCOMPLISHMENTS

2nd Place in Balkan Water Polo games

Secured 2nd place with the Greek National Water Polo Team at the Balkanic Games, showcasing exceptional teamwork, dedication, and competitive prowess on the international stage.

First League

Contributed my skills to various top-tier water polo teams in the First League, demonstrating versatility, strategic acumen, and a commitment to high-level competition.

LANGUAGES

English

Greek
